2<sup>nd</sup> Tuesday of the month, Science - \$1200 (6 events)

Daryl Brooks is from Waynesboro and has recently received a Jeff Award. He is currently working for the Black Theatre in Chicago. He has his own show called SOULISTRY which is a full stage production of the greats in soul music through the years. We would like to bring this show to the Wayne in February for a run of 6 performances. We need \$20,000 in sponsorship funds to get this show under contract.
